# No more mopping - clean floors in less time

SCRUBTEC 234 C is the smart alternative to mopping. The machine is perfect for the maintenance of hard floor in small areas, e.g. stone, tile, cement, marble, rubber, vinyl, etc.

- Cleans up to 680/1360 m<sup>2</sup> an hour - 4 times faster than mopping, and with far better results.
- Leaves stone, tile, cement, marble, rubber, vinyl and sealed wood floors spotless.
- Dries as it cleans, leaving a slip-free surface.
- Simple controls are easy to see and reach.

The SCRUBTEC 234 C is light and portable, appreciated by most customers and equipped with separate solution and recovery tanks for easy filling and emptying. If you dislike cleaning floors, you'll love it. This cable-operated scrubber/dryer leaves your floors spotless. There is no slippery residue and no aching back. Just a clean, dry surface.

- Unique design permits cleaning under furniture and right up to the wall's edge.
- Manoeuvrable and compact.
- Handle adjusts to the height of any user and folds away for easy storage.
- Quiet operation.
- Choice of 3 brushes, with individually adjustable pressure to ensure thorough cleaning - even on an uneven surface.

Foldable/adjustable handle makes transport and storage easy

Simple to use control panel has three operating-mode options

The machine is equipped with a 15 meter orange cable, so it is suitable for small areas without cable extension.

Two separate removable tanks. It is quick and easy to clean the tank away from the machine.

You can individually adjust the brush pressure, so that any surface is cleaned effectively.

The unique brush deck allows you to clean under furniture, right up to the wall's edge. And with a squeegee on both sides of the brush, you get equally effective drying, when moving forward, backward, or turning.

# 4 times faster than mopping - You'll love it!

- Cleans up to a wall and leave the floor 100% dry thanks to the spring loaded cylindrical brush deck
- Separate solution and recovery tanks for easy filling and emptying
- Unique design permits cleaning under furniture and right to the edge of the floor
- Scrubbing and vacuuming in forward and reverse
- Easily transported.
