# Easy, efficient and long life with a minimum of service

The SPINTEC 443 range is a single disc polisher for professional maintenance and cleaning tasks on a variety of floor types: concrete and coated floors, stone and ceramic floor coverings, tiles, PVC and linoleum, parquet, wood and carpets. In fact, any kind of floor.

Our range of efficient, single disc machines offers efficient scrubbing, stripping, polishing and spray cleaning – for longer lasting and better looking hard floors.

A clean and shiny floor is one of the most decisive criteria for retail customers.

- Offset motor for great stability, the machine is able to clean under furniture and radiators.
- Rugged steel tube and frame resistant to knocks and bumps without breaking.
- Cable hook, where the cable can be easily wound up on the machine.
- Extruded vinyl bumper protects obstacles and machine from damages.
- Ready to use.
- Easy to operate.
- Maintenance free.
- Quiet operation.
- Mains powered.
- Durable.

Cable hook, where the cable can be easily wound up on the machine. When the cable shall be wound up it can be quick and easily released thanks to the quick release function.

For use in:

- Schools & institutions
- Shops & retail stores
- Hospitals
- Hotels

# Extremely versatile, for light duty, everyday cleaning or heavy duty - Your choice!
